Love Chamber Music? Join Our Festival Team!

The **Mt. Desert Festival of Chamber Music** is seeking enthusiastic, community-minded individuals for a **paid volunteer opportunity** this concert season. Our concerts happen Tuesday nights at Neighborhood House in Northeast Harbor, Maine. We ask ushers to arrive about one hour before showtime at 7:30 pm. And if available to stay afterwards for brief tear down each week. We have five concerts each Tuesday July 21 to August 18, and you are welcome to usher as much or as little as you like. We have an online training available to get you ready. Professional staff are available to support you and there are always learning opportunities about professional, classical music available.

Get an insider's look at the festival while supporting the local arts community!
